2021 Westfalen Paperwork Checklist

General

In-Person Inspections are expected to resume in late summer/early fall 2021. Mail-In Foal/Youngster Registration and Virtual Mare Inspection will again be offered in 2021. You may request a microchip to be mailed or your vet may use his/her own.

Westfalen NA Membership is required for registration of foals and youngstock. Membership Forms may be filled out and submitted online, or downloaded/printed from the website and submitted with paperwork. If you are already a member and your address hasn't changed you do not need to fill out the Membership Form again. Branding is optional and will be completed on the following inspection tour if horse is eligible for brand. The cost of branding is included in the cost of registration.

Microchipping is mandatory for all horses receiving registration papers. Westfalen NA microchips are 15-digit ISO compliant chips that fulfill the USEF Horse Identification requirements. The Microchip ID # will be included on your horse's passport. If your 2021 foal or youngster to register already has a microchip, please have your veterinarian scan and confirm the microchip number on the registration form. 2021 foals registered through the mail will receive a USEF Lifetime # if all registration requirements are fulfilled in the year of birth. Older youngstock registered are not eligible to receive a complimentary USEF Lifetime #. All foals presented for registration will be DNA Tested for Parentage Verification. **Please feel free to call or email with any questions.**

Mares

- ☐ Original registration papers will be inspected and stamped on next year's tour
- ☐ Photocopy of Registration Papers. If mare does not already have DNA on file with Westfalen NA or another registry, we will send you a baggy to include her hairs.
- ☐ 5-generation pedigree.
- ☐ Mares eligible for the Main and Premium books include: Mares registered with full (pink) papers from a recognized Warmblood breeding association (see a full list in our Bylaws online), Thoroughbreds, Arabians, Anglo-Arabians, and Shagya Arabians. For the Pony Books: All of the above, as well as German Riding Ponies, Welsh A, B, and C's, Welsh Cobs, British Riding Ponies, Connemaras, American Sport Ponies and New Forest Ponies. Knabstruppers. Please reference the website for a complete listing of breed eligibilities. Mares whose papers have been lost may be eligible for the Pre-Mare books if they are of sport type and reach a certain overall score.

Foals at Mare's Side

- ☐ Breeding Certificate signed by the stallion owner. Breeding Certificate forms are available for downloading from the website.

Westfalen Verband NA P.O. Box 429 Murdo, SD 57559
(605)669-2200 www.westfalenverband.com office@westfalenverband.com

Mare must be inspected and entered into an appropriate mare book as well if she has not already been inspected by the Westfalen NA. For 2020/2021 we will accept Video Inspections / Mare may be inspected the following year. Call for more information if questions remain. Foals sired by stallions approved by the Westfalen NA or by a different warmblood registry but **not active** in the Westfalen NA's current year stallion rosters are eligible for registration for an additional \$85 fee per foal.

All foals must be DNA tested.

Passports for 2021 foals will be printed and mailed to the owner of record as soon as all Registration Forms, Microchip and Pedigree Verification and DNA has been submitted and completed.

Weaned Foals and older unregistered horses

- ☐ Breeding Certificate signed by Stallion Owner
- ☐ Dam must be inspected as well if she has not already been inspected into the Westfalen NA mare books. For 2020/2021 we will accept Video Inspections / mare may be inspected following year. Please include a copy of the dam's mare inspection score sheet from a different registry if she's already in a mare book. Call for more information for other situations. Weanlings and Youngstock sired by stallions approved by the Westfalen NA or by a different warmblood registry but **not active** in the Westfalen NA's current year stallion rosters are eligible for inspection and registration for an additional \$85 fee per foal.

All weaned foals, youngstock and older horses to be registered and receive a passport must be DNA tested. Passports for weaned foals and older youngstock will be printed and mailed to the owner of record as soon as all Registration Forms, Microchip and Pedigree Verification and DNA has been submitted and completed.

- ☐ **Please note – DNA test results/case number are also required for the sire and dam of weaned/older offspring** requesting original registration papers. Please include the sire and dam's breed and registration number (if available) and a copy of the breed papers if available (unless horse is already in the Westfalen books) so that we may request the parents' DNA Case #'s from the appropriate registry. If you do not know this information please state so on the form and we will assist.

Stallions (call for more information)

- ☐ Original registration papers
- ☐ Photocopy of Registration Papers
- ☐ 5-generation pedigree

Westfalen Verband NA P.O. Box 429 Murdo, SD 57559
(605)669-2200 www.westfalenverband.com office@westfalenverband.com

Printout of show results (if applicable)

Completed Stallion Vet Exam form, filled out in advance by veterinarian (form available for download). X-ray reports of joints indicated on the Vet Exam Form will be required for licensing to be granted.

All stallions who do not already have DNA on file will have hairs pulled on

will be required to complete DNA testing. In order to expedite this process, please complete an online fillable DNA Testing Form available on the Westfalen NA/ website and you will be sent a DNA kit with instructions on how to pull and submit the hairs.

- ☐ Stallions of breeds other than those accepted into the main and pony books are not eligible for licensing. For a list of accepted breeds (including but not limited to Warmbloods of recognized breeding associations, Thoroughbreds, Arabians, Anglo-Arabians, Shagya Arabians, German Riding Ponies, Welsh A, B, and C's, Welsh Cobs, British Riding Ponies, Connemaras, American Sport Ponies, New Forest Ponies, and Knabstruppers) please reference the Westfalen NA website. Anyone with questions should please call or email the Westfalen NA North American headquarters.

NOTE for 2021 - All Stallions to be licensed will need to be inspected on the next available inspection tour - the office will accept video submissions along with all eligible completed health paperwork in order to allow for pre-licensing breedings to take place in 2020/2021. Please contact the office for more information.
